XLII^{ème} FESTIVAL BUGATTI 2025

Du 11 au 14 Septembre 2025

Thèmes du Festival :

« Le type 59 »

Madam, Sir, dear Enthusiasts,

The Bugatti Enthusiasts of Alsace are organizing the 42nd Bugatti Festival Molsheim from the 11th to the 14th of September 2025, to celebrate the "Type 59" in a special way.

For this racing car, the talents of Ettore and Jean Bugatti, the care taken in its construction by the "Bugattiglers," combined with impeccable and innovative construction techniques, resulted in splendid performances.

These prestigious and rare racing cars brought the marque numerous racing victories some ninety years ago. It seemed only natural to honor these automobiles this year by dedicating the program below to them, which we are pleased to offer you.

We invite you to return our attached registration form promptly, duly completed and accompanied by your payment, given the limited number of places, particularly for certain meals.

We look forward to seeing you again in September in Molsheim, the home of the "Thoroughbreds."

And, with enthusiasm

Vive la Marque

Le Président

Gérard BURCK
